

PRODUCT LINE Fall 2006

According to legend, five brave young Sorcerers will be called forth to fight for the survival of the planet. Under the guidance of their wise mentor and the ancient Xenotome, the Book of the Unknown, five teens will embark on magical adventures, befriend mystical dragons, battle dangerous beasts and come face to face with evil when they become *Power Rangers Mystic Force*. For more than 13 years, Power Rangers has remained one of the top boys' toy brands in the U.S. as a result of its ability to reinvent itself year after year with dynamic themes that resonate with fans. In Fall 2006, Bandai America is introducing two new waves of its popular 5" action figures, for a total of four assortments for the year – a first for the brand! Additional products include Megazords, vehicles, a deluxe playset and role-play toys in all new packaging.
