

Energizer® Energi To Go® AP Charger for Use With iPhone® **Fact Sheet**

Energizer introduces Energi To Go® AP series, two sleek new portable power cases made to supply extra power for use with the high-drain Apple™ iPhone® 3G, anytime, anywhere.

Using moldable lithium polymer battery cells designed to mimic the shape and styling of the iPhone, these models give iPhone users up to double the life. Both models are:

- **Sleek** – Protective case with built-in battery that form fits to the iPhone
- **Convenient** – Pre-charged and ready to use
- **Reusable** – Rechargeable up to 500 times
- **Safe** - Includes integrated PowerSafe™ technology for charge, temperature, and short circuit protection
