

## Inverters – 200 • 400 • 1000

The *Energizer*® Inverter opens up a world of possibilities for work and play while on the go. These models make it easy to convert power from a vehicle's DC adapter to AC and USB ports, so it becomes a single source of power for a mobile office or the family entertainment center for hours of fun on road trips.

200 W Inverter

400 W Inverter

1000 W Inverter

## Features

- + Wide range, DC voltage input; 11VDC to 15.5VDC
- + Advanced PWM (Pulse Wave Modulation) technology for greater efficiency; higher continuous output
- + Full output load capacity is available instantly
- + Low input voltage alarm & shut-down
- + High input voltage alarm & shut-down
- + Overload protection & shut down
- + Short circuit protection & shut down
- + Internal cooling fan
- + Multiple AC output sockets; mounted on top of inverter for convenience
- + USB charging port (200W & 400W inverters only)
- + Digital display of output voltage (1000W inverter only)
- + Neat and compact cord control (200W & 400W inverters only)

**MSRP: \$41.99 (200w), \$49.99 (400w), \$139.99 (1000w)**

## Chargers & Maintainers

### Power for Every Getaway™

Energizer again makes power convenient and portable with a line of small, lightweight 12V chargers and maintainers that consumers can rely on to power boats, motorcycles, ATVs, snowmobiles and more. They're the power sources to have on hand, whether for everyday or emergency use.

Maintainer 1000

Maintainer 4000

Maintainer 2000

### Features

- + Switch-mode power for better efficiency, reliability
- + Physically small and light-weight
- + Full 3-stage charger, not just a battery maintainer
- + Short-circuit protected
- + Reverse polarity protected
- + Back-feed protected
- + Three color charge-stage indicator
- + Multiple output cords; ring-terminal for permanent mount or battery clamps for random charging
- + Plastic case for electric shock protection
- + Reusable cord wraps

MSRP: \$24.99 (1000), \$29.99 (2000), \$39.99 (4000)
