

Francine Westergaard

Francine Westergaard, RN, MSN, is a Consultant for Joint Commission Resources, Inc. She has 24 years of clinical and administrative experience in pediatric healthcare including neonatal intensive care, general pediatrics, pediatric rehab, pediatric ambulatory care, pediatric critical care, and neonatal/pediatric transport medicine.

She worked for Advocate Health Care for more than 23 years prior to joining the Joint Commission Resource team. Her responsibilities while employed at Advocate Christ Medical Center and Hope Children's Hospital included environment of care, infection prevention and control, medication management, new program development and expansion, operational assessment, and patient safety assessment. Her professional affiliations include the American Academy of Pediatrics, the American Association of Critical Care Nurses, the American Heart Association, the American Organization of Nurse Executives, and the Society of Critical Care Medicine.

Ms. Westergaard received her Masters of Science in Nursing from Lewis University, her Bachelors of Science in Nursing from Lewis University, and a Diploma in Nursing from the Evangelical School of Nursing in Oak Lawn, Illinois.
