Dear Editor:

In celebration of National Patient Safety Awareness Week, March 7-13, The Joint Commission is getting the public involved by inviting them to participate in the "Patient Safety IQ Quiz."

We hope you will join the celebration by presenting this quiz to your readers and viewers, and encouraging them to be informed patients. Everyone who takes The Joint Commission's online quiz will automatically be entered into a drawing to win a copy of "[You the Smart Patient](#)," or our new book "[The Smart Parents Guide to Getting Your Kids Through Checkups, Illnesses, and Accidents](#)." A total of 20 copies will be given away, and winners will have their choice of book.

Please feel free to reprint this quiz in celebration of National Patient Safety Week, an answer key is also provided. You may also reprint the quiz at a later date; however, entries for the book drawing will not be accepted after National Patient Safety Awareness Week.

Please contact me if you have any additional questions.

Respectfully,

Elizabeth Eaken Zhani
