Episode Airs Saturday, January 21, 2011 at 3 p.m. ET on ABC

Laura Jeanne

Age: 24

Resides in: St. Albans, ENGLAND

Unlike many aspiring stars, Laura performs in clothes that she makes herself. She also acts to fund her musical career, appearing in Harry Potter and The Deathly Hallows (Part 2), 'Sherlock Holmes: A Game of Shadows' and the British comedy series Down Town Abbey. Laura began writing her own songs after discovering her talent as a backup singer in a school play. She raised money to record a professional single in hopes of becoming a star, only to find out that no radio show would play or promote a single from an artist without the backing of a major label. Undaunted, Laura hopes to get as many people as possible to hear her music, because she truly believes she has a message of hope, inspiration, and following one's dreams and passions.
