FACT SHEET

Journal of the American Academy of Dermatology

• The Journal of the American Academy of Dermatology (JAAD) is the official scientific publication of the American Academy of Dermatology.

• Dedicated to the clinical and continuing education needs of the entire dermatologic community, JAAD is internationally known as the leading journal in the field.

• JAAD features original, peer-reviewed articles that cover clinical and investigative studies, treatments, new diagnostic techniques, and other topics relating to the prevention, diagnosis and treatment of disorders of the skin.

• Published monthly, the original, peer-reviewed articles are available in print and online.

• Complimentary electronic JAAD subscriptions are available to members of the media. These subscriptions provide full access to the articles in JAAD as well as the ability to search past issues and preview upcoming articles.

Media who are interested in obtaining access to JAAD online are encouraged to sign up to receive News Briefs, the Academy’s quarterly e-newsletter for the media at http://www.aad.org/aad/Newsroom/.

News Briefs features:
• Highlights from Journal of the American Academy of Dermatology,
• Expert tips on skin, hair and nail health, and
• Academy news
